# Avfetting Classic

## DESCRIPTION

Avfetting Classic is a conventionally formulated cold degreaser for degreasing, desalinating and cleaning heavily soiled parts. This product replaces Avfetting X.

## PROPERTIES

Avfetting Classic is a white spirit based cleaner for heavily soiled parts. Effectively dissolves and removes asphalt stains, road salt, lubricants and oil. Avfetting Classic contains surfactants, which help with the effective removal of contaminants when hosing with water.

## RECOMMENDATIONS

Avfetting Classic is recommended for degreasing vehicles, engines, engine parts, workshop floors, grease pits, etc. Apply by brushing, dipping or spraying at low pressure, wait a few minutes, and then rinse off with water. NB! When used indoors, ensure there is good ventilation. The product can damage new and repainted surfaces. Do not spray on hot surfaces.

SPECIFICATIONS		
Analyses	Units	Results
Density at 15° C	kg/m <sup>3</sup>	785
Colour		Colourless – Pale Yellow
Aromatic Content	vol%	5
Flash point	°C	61
